

## Product Data Sheet

### Bug Basher Windshield Washer Fluid

#### DESCRIPTION

Nemco Bug Basher is a ready to use Windshield Cleaner and Insect Remover. This product is designed to keep the windshield clear and bug-free over the summer months. Nemco Bug Basher is formulated to effectively remove insects and road grime from glass surfaces, anti-static, and is non-corrosive to rubber and paint.

#### Application

- Nemco Bug Basher offers freeze protection down to -10°C and can also be mixed with regular winter windshield washer fluids.
- For best results, ensure the wiper blades are in good condition and repeat the wash cycle, if required, to properly clean the windshield.

#### Notes

- This product contains ammonia and methanol; always use safe handling and storage practices.
- **Methanol can be toxic if consumed.** Do not ingest and always keep away from children.
