

Product Data Sheet

Bug Basher Summer Windshield Washer Fluid & Insect Remover

Description

Nemco Bug Basher is a ready-to-use windshield cleaner and insect remover. This product is designed to keep the windshield clear and bug-free over the summer months. Nemco Bug Basher is formulated to effectively remove insects and road grime from glass surfaces, is anti-static and non-corrosive to rubber and paint.

Application

- Nemco Bug Basher offers freeze protection to 0°C and can be mixed with regular winter windshield washer fluids for summer months.
- For best results ensure vehicle wiper blades are in good condition. Repeat the wash cycle, if required.

Typical Characteristics – Nemco Bug Basher
