

# WE'RE PUMPED UP!

WITH SPEEDY AND CONVENIENT BULK OIL DELIVERY SERVICE

## Introducing Our New Bulk Pump Off Capabilities

Nemco has a wide range of quality oils and lubricants that perform in almost every automotive and heavy duty engine and industrial application. From machine and fabrication shops to manufacturing facilities, there's an oil in our product line that will meet your needs, including hydraulic oils, gear oils, metalworking fluids, air tool oils and chain saw bar and chain oils. Our line of high performance heavy duty engine oils has been designed to exceed expectations in a wide range of automotive and heavy duty diesel applications.

Nemco Passenger Car Motor Oils (PCMO) exceed the demanding current specifications of all major OEM's, while still suitable for use in older makes and models. Enhanced fuel economy, outstanding stability, low volatility, and high performance in extremes are hallmarks of our engine oils.

- Engine oils, hydraulic fluids, antifreeze, washer fluid, and more
- 220-litre per minute delivery capability – metered with ticket printers attached
- Equipped with a 75' hose and automatic shut-off nozzles
