

Product Data Sheet

Diesel Fuel Conditioner

Aftermarket Diesel Fuel Additive

DESCRIPTION

Nemco Diesel Fuel Conditioner is designed for all-season use in low sulphur diesel fuels. Formulated to prevent or gradually clean fuel injector deposits with the proper treat rate, this all-season fuel conditioner provides exceptional deposit control and minimizes injector fouling. DFC also provides effective anti-gel protection during cold weather operation.

Our Diesel Fuel Conditioner exhibits an outstanding ability to clean up latest technology diesel fuel injectors and provides excellent control of diesel fuel foaming tendencies. It has proven performance in both regular diesel and biodiesel fuels. Cetane improvement provides enhanced power and fuel economy.

Advantages

- Exceptional deposit control, cleans up gummed injectors and prevents corrosion of fuel lines
- Clean burning engines means lower emissions and less pollution
- Improves diesel fuel lubrication performance, helps protect equipment
- Fuel stabilizer during storage, extends shelf-life

Applications

- Diesel engines
- Treatment ratio: 1L Nemco DFC to 1,000L of fuel
- For severe use and extreme cold use 1L Nemco DFC to 500L of fuel

Typical Characteristics

Properties	Method	Typical	Properties	Method	Typical
Colour	Appearance	Red	Freeze point, °C(F)	D3321	<-76(-104)
Specific gravity, 20°C(F)	Internal	0.816	Boiling point, °C(F)	D3321	n/a
pH	D1287	n/a	Flash point, °C(F), cc	D93	15(59)

These characteristics are typical of current production, variations in these characteristics may occur.

Availability and product codes

Pack size	12x1L	20L	205L
Diesel Fuel Conditioner	CHCPZ0013	CHCPZ0042	CHCPZ0058*
Availability	Year round / Contact your local Sales Rep*		

Use and Storage

Always check your vehicle manufacturer's specifications before use. Diesel Fuel Conditioner has a shelf life of 3-5 years under ideal storage conditions; keep packages closed while not in use, store in a cool and dry area.

Health, Safety, & Environment

GHS compliant Safety Data Sheets are available at nemco.ca under the Safety Data Sheets. For SDS in French, please contact info@nemco.ca. This material is WHMIS 2015 classified. The SDS contains valuable information critical to the safe handling and proper use of the product. Always take used chemicals to an authorized collection point. Avoid discharge into drains, soil, or water. As with any chemical, keep out of reach of children and animals.

Quality

Nemco works with respected industry suppliers. Nemco Resources Limited manufacturing facility in Winnipeg, Manitoba is proud to be certified to ISO9001. For questions regarding quality, please contact your local sales representative.
